Subject: Proposed Remedial Action Plans
Site 19 – Former Derecktor Shipyard
Naval Station Newport, Newport Rhode Island

Dear Community Member:

On behalf of the U.S. Navy, Naval Facilities Engineering Command, and Naval Station Newport, we are providing you enclosed copies of the Proposed Remedial Action Plan for Site 19 at Naval Station Newport, which is the Former Derecktor Shipyard, and is located in the municipalities of Newport and Middletown, Rhode Island. There are two enclosures, which separately present the plans for the on-shore portion of the site (identified as Operable Unit 12) and the marine sediment portion of the site (identified as Operable Unit 5). A public notice announcing a public meeting and the availability of the proposed plans will be published in the May 17 and May 21 editions of the *Newport Daily News*. Details of the public meeting are also presented on page 1 of the enclosures.

The Navy welcomes your comments on the enclosed material, and will collect any comments you have until June 20, 2014.

If you have any questions regarding this material, please do not hesitate to contact Ms. Lisa Rama at the Naval Station Newport Public Affairs office at 401-841-3538.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Stephen S. Parker', written over a horizontal line.

Stephen S. Parker
Project Manager
